What is flyball?

Flyball is a fast-paced and exciting sport with teams of four dogs that compete in relay races. Each dog jumps over four hurdles, triggers a spring-loaded box, catches a ball, and returns over the hurdles.

Who is participating in the tournament?

The competition will include a wide variety of breeds and mixes, including a Lhasa Apso (ranked #1 among the breed in North America), a Siberian Husky (ranked #8), and an American Pit Bull Terrier (ranked #11). Dogs and people from as far away as Colorado and Wyoming will also be competing!
